School Vision

Global wellbeing with
Best practices in education and
Inculcating universal values.

School Mission

Serving society by providing skilled,
Learned and compassionate human
Beings with values.

Our Values

Resilience, Our Anchor
Integrity, the Foundation
Synergy in Diversity
Excellence, Our Goal

Director's Message

As the year ends and another is ready to start rolling it is a time to reflect on the year gone by. The experiences and learnings have been innumerable and outcomes rewarding.

Our hectic life in school goes on each day weaving itself to the next. Teachers are working towards completing the syllabus with a huge focus on academics. We have grown up with a belief that academics cannot be fun. To prove otherwise we introduced a new concept 'Theme of the year'.

I am sure in this process our last year's theme "Harmonious humane with hope" made all of us aware that we need to live with hope inspite of adversities. Hope leads to positive attitude which further leads to positive thoughts. Learning and teaching became fun. The need for today is a holistic approach to learning and teaching. The concept of a child centred curriculum, to promote independent learning, to develop problem solving and critical thinking skills, imparting knowledge, teaching them life skills, making choices, understanding compassion and the incredible joy in offering children different ways of perceiving the world is a reality today in JMRES. world is a reality today in JMRES.

The New Year brings with it a new hope and optimism, opportunities and greater responsibilities. Communication is the key to success in life, work and relationships. It is an essential skill to hone. To inculcate this essential skill in our children the theme for this year is Inspire to Excel ...to empower... to educate.

Our responsibility as educators and teachers is to mould the future generations making an impact on their views and understanding and see our children blossom and grow beautifully into young adults.

Mrs. Rachna Rathi
Director

Chairman's Message

We are in a very fast moving and constantly changing world. Digitalization is the need of the hour. "The best I can say is that as parents, you can engineer the life you want your kids to have, but it may not be the life they want to have." You have to encourage them to pursue their passions. And you have to spend more time on them than you spend on anything else.

This scenario plays out more often than some parents would care to admit, they longed to be a famous astronaut, doctor, engineer etc and because those dreams were not fulfilled, they push their own children into fulfilling them instead.

There is an easier way to raise an innovative child other than forcing your unrealized dreams on him or her. Here I would strongly suggest that you can encourage your child's inner creativity so that he or she can grow up curious and excited to experiment and embrace the whole world around.

Be open minded be on the lookout for activities that make your child excited. Does he enjoy assembling complicated jigsaw puzzles? Does she like getting messy in the yard growing her own plants? Maybe you're running out of crayons and paper because he loves to draw?

Keep checking his or her interest and help them to grow innovative.

Mr. B.N. Kadam
Chairman

Principal's Message

Moulding Young Minds: The Crucible of Tomorrow's Leaders

In the grand tapestry of human civilization, the role of education is paramount. It is the crucible where young minds are moulded into the architects of the future. Our school, like many others, has dedicated itself to this noble endeavour, recognizing the profound impact it has on shaping the destiny of our society.

The process of moulding young minds is not merely about imparting knowledge; it is an intricate alchemy that blends wisdom, character, and empathy. Let us delve into the fundamental aspects of this transformative journey. As an educationist I believe in some key aspects and in JMRES we have implemented them successfully.

1. Nurturing Curiosity

We believe that curiosity is the corner stone of learning. Our educators strive to ignite the flames of curiosity in our students' hearts. Encouraging them to question, explore, and discover not only empowers young minds but also fosters a love for lifelong learning.

2. Fostering Critical Thinking

In a world filled with information, it is essential for young minds to develop the ability to discern fact from fiction. Through critical thinking exercises, our students learn to analyse, evaluate and make informed decisions, preparing them to face the complexities of the modern world.

3. Values and Ethics

Moulding young minds is not just about academics it's about instilling values and ethics. Our school places a strong emphasis on character education, teaching students the importance of integrity, empathy and respect. These qualities are the bedrock of responsible citizens and future leaders.

4. Embracing Diversity

In an increasingly interconnected world, we believe in celebrating diversity. Our school fosters an inclusive environment where students from various backgrounds come together to learn and grow. This exposure broadens their horizons and prepares them to navigate a multicultural society. Inclusion is becoming a informed practice in every aspects may it be teaching & learning, creating lesson plans or assessments or may it be appointing teachers with physical challenges.

5. Encouraging Creativity

Moulding young minds involves encouraging creativity. We believe that every student possesses unique talents and abilities. Our curriculum includes art, music, and extracurricular activities that allow students to express themselves and think outside the box.

6. Developing Resilience

Life is full of challenges, and resilience is a key attribute that young minds must cultivate. Our school teaches students to embrace setbacks as opportunities for growth, helping them build the mental strength necessary to face life's ups and downs.

7. Community Engagement

We believe in instilling a sense of social responsibility in our students. Through community service projects and volunteering opportunities, they learn the importance of giving back and making a positive impact on the world. Different session on Gender Identity & Equality, Stress Management, Peer Pressure etc are conducted on regular basis.

In conclusion, moulding young minds is a profound responsibility and a privilege. Our school strives to create an environment where students are not only prepared for academic success but are also equipped with the values, skills, and mind-set needed to become responsible, compassionate, and forward-thinking citizens. As we look to the future, we remain committed to nurturing the seeds of greatness within each young mind, for they are the architects of a better tomorrow.....

*Where the mind is without fear
and the head is held high;
Into that heaven of freedom,
my Father, let my country awake.....*

Ms Leena David
Principal,
JMRES, Roha

Vice Principal's Message

It is a great privilege for me to be a part of Jyothrath....

Great Philosopher Nani Palkhiwala says, "Enlightened citizens cannot be produced in the factory, it has to come through education."

What can empower a nation that, in recent times, has earned the credibility of becoming an intellectual capital of the world? The answer, for me, is obvious. It is education.

Education that is value based, Education that is man making, Education that is character building Education that imparts roots and gives wings.

The only way to convert the liability of having a population of over a billion is to educate them, which in turn will empower them to dream of building a new India, as it hurtles forward towards a future that can be exciting, as we cannot even imagine.

We at JMRES focus on the kind of education system, that would help every student reach his or her maximum potential, and empower them with a strong sense of self and to acquire new skills that will help to build as all rounded a personality as possible.

We at JMRES see to that, education system adds incredible value but at the same time it should not create stress for parents and students , we also focus at- does education equip students with real and contemporary skills that can make him or her a winner in the real world...

We are trying to give the method of imparting education a directional change in the way it required. The results undoubtedly, would be astounding. We cannot believe that there can be better way to empower our students and

country at large ,than this. Education does not mean teaching people to know what they do not know, it means teaching them to behave as they do not behave.

Let me windup with the words of Dr. Radhakrishnan " you cannot make or build the nation by just bricks; you have to establish the minds of the young people, then alone can the nation building take place".....and there education plays important role.

Mr. Deepak Mane

Vice-Principal,
JMRES, Roha

Unit Head Primary

Dear Readers,

We stand poised on the threshold of change in the world of education. Hence, it is very important for us to adjust the sails to face the winds of change. It was really a challenging task for us to face the unexpected covid 19 pandemic, which indeed made a lot of learning happen and made us strong to face things with greater ability. Thank you dear parents for your support in those days.

The student's today need to be equipped with knowledge, confidence and competence to attain a sense of fulfillment and understanding.

I am glad that in this institution we, as educators create a safe, stimulating and learning environment for our students.

We develop a positive Teacher Student relationship, which makes it a safe and a pleasant place for our students. We all want to feel cared for and valued by those around us, and we consider our students no different.

I feel fortunate to be a part of JMRES for nearly three decades where students find healthy learning environment, which in turn has adorned my personality, changed my perceptive and given me a congenial ambience.

I extend my heartfelt thanks to the management for showing faith in my potential and encouraging & guiding me always.

I would like to thank the Primary Team member's. Believe me, without your cooperation it would be like fighting an uphill battle in my fervent attempts as a Unit Head.

We educators being facilitators are to encourage each child to develop in their required interest. We need to understand the learning styles of students as each child is unique.

The students are to ensure participation in all the school activities for hands on experience & for all round development of their personality. Every moment in school is to be enjoyed to create memories with good character, which creates self-respect and in turn leads to high self-esteem.

I thank the parents who are the constant support. Let's work together with passion & zeal so that our students take the canvas of hope and brush of a glorious vision and paint their own portrait of excellence.

Regards

Mrs Piedade A Dsouza

Unit Head Primary

From the Student Editorial Board

It was a privilege to be a member of the '**Editorial board**' of the J.M.Rathi English School and Junior College.

Many memorable events happen throughout the year.

Therefore, we created the JyothRath magazine. It is an excellent way for the students to get themselves involved in this exercise and express their thoughts and views, as it gives them a free rostrum to speak.

It took us a while to get used to our responsibilities, but slowly but surely we learned to do them properly and even have fun while doing them. Soon enough, as the year began, we were flooded with articles, poems, and stories from the students.

We personally went through all of them, rewriting, writing, and trying to make it as accessible as we could. Needless to say, it was a lot of work.

So, we hope you'll enjoy reading what we all have created.

LEARNER NARRATIVES

Article on Parapsychology

Parapsychology delves into the study of alleged psychic phenomena, encompassing extrasensory perception, telepathy, and various paranormal claims such as those associated with near-death experiences and synchronicity. In essence, it is a science that explores the realms of ghosts, spirits, and the human brain.

The term "parapsychology" was first coined in 1889 by philosopher Max Dessoir, a German parapsychologist. Notably, the British Journal of Psychology published an article on parapsychology in 1942 by Robert Thouless.

This field is intriguingly divided into two primary categories by the Parapsychological Association –

Gamma for extrasensory perception and Kappa for psychokinesis.

For those aspiring to obtain a degree in parapsychology, it is essential to pursue science in the 12th grade or opt for the arts stream. While one can study parapsychology abroad, in India, there are only three universities offering this discipline:

i) Andhra Pradesh University

ii) Delhi University

iii) Punjab University

Parapsychology opens a gateway to understanding the mysterious facets of human consciousness and the unexplored dimensions of the mind. As we continue to unravel the secrets of the paranormal, this field remains at the intersection of science and the supernatural, challenging our perceptions and expanding the horizons of human knowledge.

My School

I go to my school,
And that's cool.

In short tiffin,
My mom gives me a muffin.

If the date is the sixteenth,
The P.T. is on the eighteenth.

My math teacher gives a sum to solve.
Oh, the activity is in the assembly hall.

The school is from eight to one.
Oh, in school, it's fun.

The school operates from Monday to Saturday.
Oh! on Sunday, it's a holiday.

Our Friendship

My name is Riddhi,
And my friend's name is Siddhi.
I like strawberries,

But my friend likes blueberries.
She is kind by nature,
But I like horror creatures.
We are pretty,
And ghosts are creepy.

We both play together,
While playing, we found a beautiful feather.

The climate is beautiful,
And the rainbow is colourful.

We both like rainbows.
While watching the rainbow, we enjoy eating momos.
We both are fair,
And we both take each other's care.

Our friendship is very old,
Just like gold.
Our friendship is based on trust,
And I finished my poem just.

Poem – NATURE'S TRIANGLE

The Nature's Triangle – land, tree, and river

Together gives us life
They provide us everything, so we should be friendly beings.
Trees give us fruits and wood,
Which help to produce goods.
The river never fails to quench our thirst.
In cooking, it's water Which is used first.

Land is where trees and rivers grow and flow,
It is called nature's row.
Polluting this triangle is just a teaser,
Of the chaos that would occur in the future.
If we do so, we will be in tears, so be clear,
And thoughtful of its use.

Thanks

Schools like J.M.R.E.S are few,
Given as the sun,
And pure as dew.
We children are blessed,
To be in this school,
Learning discipline and subjects,
And values so cool.

Each child is motivated,
And treated all the same,
We get what we deserve,
And no political game.
With unbiased staff,
And no partial teachers,
The school molds the pupils,
Into leaders and preachers.

To appreciate and to praise,
My words have fallen short,
I will use one magical word
Coming straight from my heart.
Thank you, [J.M.R.E.S].

Life

Life is an opportunity, benefit from it.
Life is beauty, admire it.
Life is a dream, realize it.
Life is a game, play it.
Life is duty, complete it.
Life is a promise, fulfill it.
Life is a struggle, accept it.
Life is an adventure, dare it.
Life is too precious, do not destroy it.
Life is life, fight for it.

Career Guidance

I am Safa Ayaz Mapkar, currently in Grade 11th Commerce. In today's world, the realm of "Education" is flourishing. Our school has initiated the "Career Cell Activity" to guide students in understanding their psychology, intelligence, interests, weaknesses, and strengths, enabling them to carve their path in their careers.

Our school counsellor, Poonam Posane, specializes in assisting students with understanding their qualities based on their interests. She delves into human behaviour and perspectives, fostering students' personal growth. Psychology, often regarded as "the best diversion for those who seek with the mind," is an integral part of our school's approach. The school aims to instill minimal reinvention in students, guiding them towards a destination in their educational journey. In the competitive landscape of today's world, education has become indispensable. It serves as a tool for enhancement, improving skills such as handling responsibilities, fostering courage, and instilling determination.

A counsellor plays a crucial role in dealing with students. They help uncover individual abilities, personalities, and provide opportunities to enhance brainstorming ideas. Collaboration is encouraged, aiding in the selection of perfect career pathways. Counsellors also address mental health concerns and organize events to offer guidance. This includes facilitating internal activities that provide instant knowledge and empower students to stand confidently in their future.

Children's Day

Children's day is the special occasion celebrated all around the world to honour the innocence, purity and playfulness of children. On behalf of all the student. I would like to express my sincere gratitude to all of you for making this year's Children's Day celebration a grand success.

Firstly, I would like to thank our Principal, sir Vice Principal for their constant support and guidance in organising this event. Without their leadership, this event would not have been possible. I would also like to extend my heartfelt gratitude to all the teachers who worked tirelessly behind the scenes to ensure that every aspect of this event was executed smoothly. Their dedication and hard work are truly commendable. Last but not least, I would also like to thank all the children who participated in the various activities. Your enthusiasm and energy made this day a memorable one for all of us.

EDUCATOR'S CORNER

Being a Teacher!

Being a teacher is an incredibly interesting yet challenging job. The journey from Gurudev to a modern-day teacher, and from Gurukul to schools, reflects cultural, social, economic, and political changes. Despite these transformations, teachers continue to carry out similar tasks with an eternal motto: the overall development of students.

In recent years, the global education system has undergone radical changes. Teachers are now expected to handle a variety of activities and assignments. However, the duration of a day remains 24 hours, and in this limited time, teachers are expected to accomplish numerous tasks.

Society places many expectations on teachers, and while some expectations are justified for good results, the education sector in our country remains one of the most neglected, lacking adequate funds. Creative teaching communities strive to overcome these challenges through their innovative approaches.

Whether serving in the public or private sector, teachers focus on finding solutions rather than dwelling on problems. The ultimate aim for any teacher is the holistic development of students. Conscience, ethical values, and high moral standards are virtues that the teaching community never compromises.

As time progresses, new challenges arise. Learning advanced technologies can be difficult, but teachers make an effort to keep pace with the changing times. Dealing with the techno savvy generation is a unique experience. The recently declared new education policy by the government has brought about significant changes in the way lectures are delivered, and teachers now utilize necessary teaching aids.

A broader perspective is embraced by all those involved in the education process. Active students, passionate teachers, and resilient parents play crucial roles in nation-building.

"Let's continue the inheritance we have received and work towards building a well-developed nation"

Ms. Seema Joshi

वाचन संस्कृती रुजवूया

मानवी संस्कृतीचा इतिहास विकसित होत असताना भाषेचा उगम आणि वाचनप्रक्रिया निर्मिती हे या विकासातील महत्वाचे टप्पे आहेत असे सर्वसाधारणतः मानता येईल. केवळ वाचन करता येणे हे पुरेसे नसून अभिजात ग्रंथांचे वाचन करणे, त्यात सातत्य राखणे अत्यावश्यक आहे. आपला बौद्धिक विकास घडण्यास यामुळे मदत होते.

सहिष्णूता, सौहार्द, विश्वबंधुत्व मुल्यांची केवळ रुजवणूकच नव्हे तर जपणूकही होते. संभाव्य संघर्ष टाळण्यास मदत होते. उच्च अभिरुचीचे वाचन सातत्यपूर्ण करत राहिल्यास त्याचा लाभ व्यावसायिक व वैयक्तिक जीवनातही होतो. बालवयापासून मुलांमध्ये वाचन संस्कार रुजवणे ही सामाजिक जबाबदारी आहे. पालक, शिक्षक अन्य सामाजिक घटक यांनी मुलांमध्ये वाचनाची सवय निर्माण करणे हे आपले कर्तव्य आहे असे मानले पाहिजे.

यातील एकाही घटकाने ही जबाबदारी झटकण्याचा वा दुसऱ्या घटकावर ढकलण्याचा प्रयत्न केल्यास ते देशहिताचे ठरणार नाही. वाचन हे केवळ रंजक असू नये, ते प्रबोधनात्मक ही असावे. प्रबोधनात्मक लेखनशैलीत थोडी रंजकता आणली गेल्यास मुलांमध्ये वाचनाविषयी रस निर्माण होईल. अर्थात प्रत्येक लेखकाची स्वतंत्र शैली असते व त्या अनुषंगाने त्या विषयाबद्दल लेखन केले जाते.

जीवनाच्या प्रत्येक अंगाबद्दल अर्थात सर्व क्षेत्राबद्दल उच्च दर्जाचे विपुल लेखन उपलब्ध आहे. आपली वैयक्तिक आवड लक्षात घेऊन बालवाचक वाचनारंभ करू शकतात. सर्वसामान्य आकलन क्षमता विकसित झाल्यावर आपल्या आवडीच्या पुस्तकाच्या वाचनाबरोबर अन्य क्षेत्रातील वाचन देखील करावे.

मानवी मेंदूचा सर्वांगीण विकास होण्यासाठी विविध विषयासंबंधित उपलब्ध असणारी उच्च, अभिजात अभिवृत्तीच्या पुस्तकांचेही वाचन करावे. अभिजात वाचन संस्कारामुळे सुजाण पिढी निर्माण होते. चला तर मग वाचूया आणि वाचनासाठी मुलांना प्रोत्साहित करूया.

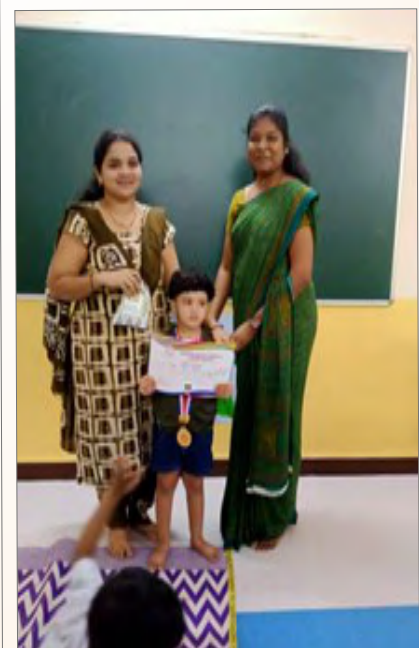

कु.सीमा जोशी

GLIMPSES OF PRE-PRIMARY EVENTS

Go-green with mothers

The Green Day colour concept was celebrated with great zeal and enthusiasm on August 9, 2023, for the Nursery class. Students, accompanied by their mothers, came to school dressed in beautiful green attire. The classroom was adorned with a green theme.

The day kicked off with a Show and Tell activity, introducing various green vegetables and objects. Two activities were conducted involving both the child and the mother. The first activity involved creativity using leaves, and the second activity was fireless cooking. The top three winners were honoured with medals and gifts. The day ended on a high note, full of energy.

Grandparent's Day

*Grandpas bring
a little wisdom,
happiness, warmth,
and love to every
life they touch.*

Grandparents are the precious stalwarts of our family, and their role is unique in each person's life, which is irreplaceable. There cannot be a better way to instill love and gratitude in the hearts of the younger generations for their grandparents than by dedicating a special day to them.

The students of the Junior KG class celebrated 'The Grandparents' Day on September 16, 2023. The celebration began with a warm welcome for grandparents, including the showering of flowers and presentation of a memento.

The students captivated the audience with their mesmerizing dance performances. Grandparents enjoyed the games and shared their feelings for their grandchildren.

The celebration concluded with a dance featuring both grandparents and their grandchildren.

Father's Day

Father's Day is a celebration honouring fathers and celebrating fatherhood, parental bonds, and the influence of fathers in society. A father is someone who holds you when you cry, scolds you when you break the rules, shines with pride when you succeed, and has faith in you even when you fall.

The Father's Day celebration took place on July 19, 2023. The event began with greetings for the fathers. The Nursery kids performed a lovely dance that touched everyone's heart. There were games for fathers and their kids, such as spoon and lemon carrying with the child on their back, and a crown-making activity. Fathers expressed their feelings and appreciation for involving them in such a celebration to nurture their relationship with their child. It was a memorable event that fathers and children will cherish for a lifetime.

GLIMPSES OF PRIMARY EVENTS

Education is the passport to the future, for tomorrow belongs to those who prepare for it today.

JMRES has set the benchmark for conducting activities, functions and festivals in a such a way that the students not only enjoy but also learn a great deal from it. All activities are conducted on the theme of **Inspire to excel.**

School activities provide an opportunity to develop skills beyond reading and writing. They help students acquire new skills that can be applied to their lives, such as leadership, teamwork, collaboration, and problem-solving, which prepare them for school life.

Orientation day is a time for students to learn about the school's policies and procedures, meet with teachers, and get acclimated to the school campus. The orientation is held with great zest.

An investiture ceremony marks the transition from being ordinary students to becoming representatives of the school. This transition instills a sense of ownership and belonging among the student leaders. They become the face of the institution and carry the responsibility to uphold its values, traditions, and ideals. Elections are held for various posts and the leaders are selected. Investiture ceremony is held every year to instill leadership and teamwork among all

Class presentation, Competitions and celebrating functions and festivals encourages students to strive for excellence, push their boundaries, and continuously improve. Competing against classmates allows pupils to assess their talents while also motivating them to work harder to attain their objectives.

Glimpses of Class Presentation

"The journey of a thousand miles begins with one step."

Class Presentation is the fantastic way to contribute different languages learning experience. This enable the students to practice and inculcate the content beyond textbook knowledge, such as vocabulary, phonology and grammar). Students build their confidence, stage daring and speaking skills. By keeping all these aspects in mind the class presentations are presented by all classes in JMRES.

Glimpses of Class Competition

Class Competitions provide chances for experiential learning outside of the classroom. Students use their knowledge, talents, and skills in real life. They gather knowledge, learn from their successes and errors, and improve their critical thinking, flexibility, and creativity. Class competitions are held for all classes on Art & Craft. Speaking skill, narration and creativity of various aspects like festivals. This helps the students to get away from their hectic study spree and steal slices of joy through competitions. The event is remarkable as it ignites the fire in students to learn and do. The various competitions like lantern making, storytelling, Clay modelling, Recitation of Poem in Marathi, Hindi & English etc are held in school to drive attention, physical effort, and learning. The social motivation of competing against one's peers can challenge a student to work much harder on his or her tasks than he or she would independently

Glimpses of festivals and function

Celebrating events and festivals in JMRES has become an integral part of learning and building a strong cultural belief. These celebrations at school ensure that students find a home away from home.

The event provides a platform to the students to showcase their talent and prove their mettle. Each festival is celebrated in school to bring the students closer to each other's traditions and cultural beliefs and develop respect and understanding for each other's customs and traditions.

GLIMPSES OF SECONDARY EVENTS

Maharashtra Day & Labour Day Celebration

On May 1, 2023, J.M. Rathi English School & Junior College celebrated Maharashtra Day and Labour Day with a splendid program. The school ground was adorned with grand arrangements, featuring a beautifully decorated stage and ground embellished with flowers and intricate rangoli.

The festivities commenced at 8:00 in the morning with the welcoming of the chief guest, followed by the honourable act of flag hoisting by Chief Guest Lata Raje, Principal Leena David, and Vice Principal Deepak Mane. An opening musical presentation by primary students set the tone for the day, spreading warmth among the audience.

Astra Bardeskar delivered a thoughtful speech on Labour Day, and the secondary student group presented an energetic patriotic song. Mr. Tejas Jagle delivered an enthusiastic speech on Maharashtra Day. The students then staged a captivating drama-cum-dance in honour of freedom fighters and saints.

The culmination of the event included a vote of thanks delivered by Mrs. Tejaswi Watave. The celebration not only honoured the significance of Maharashtra Day and Labour Day but also showcased the talent and dedication of the students at J.M. Rathi English School & Junior College.

International English Day Celebration

International English Day, celebrated on April 23rd in honor of the great author, poet, and playwright William Shakespeare, holds significance in promoting the delicacy of the English language, a vital official language. In alignment with this objective, JMRES marked this day with enthusiasm and purpose.

To enrich the understanding of the English language and its importance, a captivating video crafted by Class 8 students was shared with the entire student body on April 23, 2023.

On April 24, 2023, English teachers organized a Graffiti Wall activity across all classes, posing an open-minded question - **'MY IDEA OF HAPPINESS'** A soft board displayed the question, inviting students and teachers to share their perspectives.

A Reading Time activity was also conducted, witnessing active participation from teachers, students, and administrative staff. The celebration was an immensely engaging and enlightening event, fostering a deeper appreciation for the English language at JMRES.

Investiture Ceremony

"Leadership is the capacity to translate vision into reality"

The Investiture Ceremony, a highly auspicious and ceremonial occasion at the school, took place on August 4, 2023, brimming with zeal and enthusiasm. This event marked a significant moment as the school entrusted hope, faith, and the mantle of responsibility to the newly appointed school cabinet, symbolizing reliance and confidence.

The ceremony commenced with the Head Boy and Head Girl leading the senators in a slow March Past. They were then conferred with badges and sashes by the Chief Guest, Mr. Kuldeep Purandare (Manager CSR & PR Initiatives – POSCO Maharashtra Steel Pvt. Ltd.), Special Guest Mr. Swapnil Patil (Assistant Manager CSR & PR Initiatives – POSCO Maharashtra Steel Pvt. Ltd.), the Respected Principal, Ms. Leena David, Vice Principal, Mr. Deepak Mane, and Primary Unit Head, Mrs. Piedade Dsouza, along with their parents.

In his address, Chief Guest Mr. Kuldeep Purandare encouraged the Student Council Members to be role models and fulfill their responsibilities sincerely as the nation builders of tomorrow. He emphasized the values of punctuality, dedication, discipline, and determination, urging the students to be torchbearers for the future. Mr. Purandare also stressed the importance of practical involvement in social duties and appealed to each individual to plant a tree at their homes.

The secondary students added to the grandeur of the ceremony with an extremely mesmerizing dance and captivating song. The program was a grand success, leaving a lasting impact on all attendees.

Independence Day & Rathi Awards 2023

"Freedom in the mind, faith in the words, pride in the heart, memories in our souls"

Independence Day, a poignant reminder of the preciousness of freedom, was celebrated with great fervour and enthusiasm at J.M. Rathi English School & Junior College.

Shri. Chandrakant Joshi, Project & Civil Head of Sudarshan Chemical Industry, graced the occasion as the chief guest and hoisted the national flag.

The day was adorned with patriotic dances, songs, and speeches by our students, amplifying the spirit of patriotism and paying homage to this significant day. The event also served as a platform to felicitate the toppers of Grade XII (AISSCE) and Grade X (AISSE) for the academic year 2022-23. These accomplished students were acknowledged by both the chief guest and our esteemed Principal for their outstanding achievements.

During his address, the chief guest urged our students to embrace the mantle of responsible citizenship and carry out their duties diligently. The event was a grand success, reflecting the unity and pride embedded deep within our institution.

गरबा उत्सव

भारत को त्योहारों और उत्सवों की भूमि के रूप में जाना जाता है, नवरात्रि उनमें से एक है जो अपनी धारणा और महत्व में अद्वितीय है। त्योहार उत्सव का समय है और सभी के लिए शांति और खुशी लाते हैं। वे गौरवशाली विरासत, संस्कृति और परंपराओं का जश्न मनाने का एक अभिव्यंजक तरीका हैं।

अपने नन्हे-मुन्नों के बीच इसे बढ़ाने के लिए, जे. एम्. राठी इंग्लिश मीडियम स्कूल ने 23 अक्टूबर 2023-24 के दिन बड़ी भावना, उत्साह और आनंद के साथ नवरात्रि मनाई। उत्सव की शुरुआत देवी नवदुर्गा की पूजा-अर्चना करके और सभी को बुराई से बचाने के लिए आशीर्वाद मांगने से हुई।

विद्यालय सभा के माध्यम से छात्रों को नवरात्रि के नौ दिनों का महत्व सिखाया गया। उस दिन छात्रों ने रंगीन कपड़े पहनकर नवरात्रि मनाई। छात्र और शिक्षक मधुर संगीत और लयबद्ध ताल पर गरबा खेलते रहे और डांडिया गीतों पर उत्सव के मूड में रहे। उन्होंने अपनी रंगीन डांडिया स्टिक का उपयोग करके भी नृत्य किया।

एक विविधतापूर्ण देश होने के नाते, इस तरह के उत्सव के माध्यम से, छात्र न केवल त्योहार के पीछे के महत्व को सीखते हैं बल्कि अपनी तरह ही दूसरे की परंपराओं और संस्कृति को अपनाना भी सीखते हैं।

Marathon- "Arise and shine"

'Arise and Shine Marathon' - a first step in the world of Marathon by JMRES was held on 1st October 2023.

Event was divided into three groups; Group A – Grade 9 & Grade 11, Group B- Grade 6 to Grade 8 and Group C – Grade 4 & Grade 5. Distance for Group A & Group B was of 4 Kms whereas for Group C, it was 2 Kms. More than 100 students participated in the race. Event began with an energetic Zumba session as a warm up activity for the students.

The races commenced with Principal Ms Leena David & the Guest of Honor Dr. Anil Yadav giving a few inspirational and motivational words to the aspiring runners.

The zeal & enthusiasm encouraged the students to complete the entire race. Students were gripped with a feeling of anxiety and nervousness although some runners achieved triumph; others were still satisfied with their attempt to complete the entire marathon. None of the students were injured and the marathon was a success.

JMRES was blessed with Dr. Anil Yadav, Mr. Sopan Muthe, Mr. Jaydev Pawar & Dr. Krishna Jarag as the Guests of Honor and Mr. Mahendra Yadav, Mr. Ganesh Pothgan, Mr. Govind Dale & Mr. Sachin Pothfode as the special guests. Students were guided by these experienced marathon runners.

JMRES thank them for their support and guidance. JMRES also thank the Staff Members & Roha police for this wonderful and enriching opportunity.

Carnival Fiesta

Carnival in JMRES was organized with the concept of **“Carnival of Skills and Diversity”** on a beautiful and amazingly decorated school ground.

School ambiance was looking like a wonderland. It was the vibrant colourful evening which saw the participation of parents, teachers and students alike.

It was an exuberant celebration and a fun filled day in JMRES School. Numerous games stalls, art and craft corner, Maths corner, Science corner, library, sports, ethnic corner, dance corner, book and games stalls were set up along with an aromatic food court which showcased the cooking expertise of many parents.

The stage was set on fire by performances of students and teachers.

Programme became memorable by the presence of **“Hon'ble Minister Miss Aditi Varda Sunil Tatkare”** Women & child Development Maharashtra State.

The day added one more memorable success story in the history of JMRES.

Glimpses of Night Camp

Primary Section

As said by Mark Richardson "Right values produce right thoughts. Right thoughts produce right actions"

The aim was to make the children independent, bond well with their peers and educators and enjoy new activities filled with values.

Keeping in view the importance, the night camp was organized for classes IIIrd and IVth.

A primary advantage of overnight camp is that kids get more time to adjust with their surroundings and get comfortable while having the learning and growing. They also go through a range of recreational activities throughout the day.

At the beginning, there was a zumba dance session which had everybody on their feet dancing and swaying to the music and thoroughly enjoying themselves and it was heartening to see the teachers too enthusiastically participated in it.

Outdoor games were played to encourage teamwork and friendly competition among the students.

To add to the camp experience, a campfire was organized where the students gathered around and danced with laughter. Delicious meal, snacks, and refreshments were provided, ensuring that the students were well-nourished and energized throughout the camp.

Overall, the night camp for Std IIIrd and IVth students was a huge success, with a great turnout and positive feedback from both students and parents. It provided a platform for students to learn, bond, and have a memorable experience together. Students took with them a lifetime memories of an event to cherish forever.

Glimpses of Night Camp

Secondary Section

Class V to VI

J M Rathi English School & Junior College, Roth has organized a night camp for the students of Grade V and VI on 6 January 2024 in the school premises.

The students enjoyed fun moments with delicious food and various activities. Students were welcomed with fun race to cross hurdle and then sac running to reach the school auditorium.

The camp begun with the warm up session - a zumba dance. Then snack packs were given. Students enjoyed string and pearl flower making activity. In talent show students got a chance to hum their favourite tunes on live music. Students enjoyed delicious food for dinner.

They were surprised with the bonfire. The night was wrapped up with more fun and laughter. Students took with them a lifetime memories of an event to cherish forever. Finally they dispersed at 9:30 p.m.

Class VII to VIII

J M Rathi English School & Junior College, Roth has organized a night camp for the students of Grade VII and VIII on 20th January 2024 in the school premises.

The students enjoyed fun moments with delicious food and various activities. Students were welcomed with fun activity to cross hurdle and then book balancing to reach the school auditorium.

The camp begun with the warm up session - a zumba dance. Then snack packs were given. They enjoyed with treasure hunt game with full of enthusiasm & Cloth bag painting activity. In talent show students got a chance to hum their favourite tunes on live music. Students enjoyed delicious food for dinner.

They were surprised with the bonfire and dance joyfully. The night was wrapped up with more fun and laughter. Students took with them a lifetime memories of an event to cherish forever.

Finally they dispersed at 9:30 p.m.

Glimpses of Christmas Celebration

Primary Section

Christmas brings cheer and love, We celebrated it with the same fervour, spreading the message of love and joy among our children. Christmas was celebrated on 22nd December 2023, in the school quadrangle. The school was beautifully decorated and everybody was dressed in Red and Green. The celebration started with a beautiful skit followed depicting the scenes of the nativity of Jesus Christ interspersed with melodious carols sung by the choir.

Right from the conception of Mary to the birth of Jesus a harmonious story was displayed by the students. The event ended with cheerful Christmas greetings as the students danced to the melodious tunes of 'Jingle Bells' and we wished every one Merry Christmas. The dazzling entry of Santa Claus added to the joy and excitement of the students. The boundless joy of celebrating the festival was visible on the faces of all the children. It was a joyous and amusing programme for everyone.

Secondary Section

Christmas is the festival which inspires the spirit of sharing and caring. Christmas celebration was held on 21st December 2023. A special assembly was conducted in the secondary school auditorium. The day proceeding began with the invocation of the almighty through a prayer. A video on the birth of Jesus Christ was shown to the students which was very inspiring. The students of class 7th sang a Christmas carols in Hindi followed by the Dance performance by the students of Grade 5th and 6th. The girls from Grade 8th sang melodious carol in Konkani. Students also presented the symbols of Christmas and made others aware of the use of them during Christmas. Finally, the school sang Jingle Bells carol while Santa Claus was welcomed and the Santa distributed sweets to the children. Students were very happy to celebrate Christmas at school with their friends and teachers. The students of Grade 5th to 9th decorated the soft boards to represent the birth of Jesus Christ.

Our Principal congratulated and wished everyone a very happy Christmas and also gave a motivational speech. She also wished everyone a happy and peaceful new year ahead.

Glimpses of Shiv Jayanti Celebration

Primary Section

The 393rd Birth Anniversary of Chhatrapati Shivaji Maharaj was celebrated with lot of enthusiasm and energy on 18th Feb 2024. This festival is celebrated to pay homage to the great leader. And help students embrace courage, resilience, strategic thinking, integrity, justice and importance of education, self-improvement, leadership and Teamwork.

The Unit Head paid floral tribute to Shivaji Maharaj's portrait. The students of primary school paid homage to the great legendary by singing powada and singing song praising the great leader. The students gave speeches highlighting his administrative and military skills, followed by his success stories. One of the students enacted the role of Shivaji Maharaj.

The girls came in dressed as Jijamata and the wife of Shivaji Maharaj Saibai in the costumes. The main objective of the program was to give students a brief overview of Chhatrapati Shivaji Maharaj's life, and the cultural and historical heritage of Maharashtra.

The Program was concluded with motivational words of Unit Head. The Unit Head gave message to the students to practice equality and brotherhood. Our Students equally enjoyed and were inspired by Shiv Jayanti celebration.

Republic Day Celebration

J M Rathi English School & Junior College, Roha, celebrated the 75th Republic Day with grandeur and excitement. Mrs. Reshma More (Senior Pre-Primary teacher) honored the occasion as the chief guest for the function. Guest of honor Mr.Vijay Deokate, Principal Ms.Leena David & Vice Principal Mr.Deepak Mane graced the occasion.

The event began with the unfurling of the national flag followed by National Anthem. Mr.Vijay Deokate guest of honor delivered a speech on the significance of Republic day.

The primary students put up a spectacular show with patriotic song. Dance performance by secondary students showcased the struggle and sacrifice of freedom fighters, which was greatly appreciated.

Grade IV student Master Smit Pimpalkar delivered an inspiring speech. The event concluded with the vote of thanks by the Head boy of the school.

Farewell

A Farewell was organized by the students of Grade 11 and the teaching and non-teaching staff of J M Rathi English School and Junior College on 3rd February 2024 at secondary school ground. School is the second home of the students, and the students are the heartbeat of the school. So, all Grade 12 students were present at the farewell ceremony. Grade 11 students took the initiative in arranging the whole ceremony.

The farewell function was presided over by welcoming the guest students with a token of love. The farewell function started with a welcome song and then a ramp walks by the students of Grade 12th. The Grade 12 prefect expressed gratitude towards beloved teachers and the school.

Later, ramp walk round two was done. After that girl prefect expressed gratitude through heart touching speech. There was a beautiful group song presented by the teachers. Class teacher of Grade 12th delivered a best wishes speech for the student's future.

Then there was a question answer round for Mr. and Miss. JMRES in which Students gave wonderful and sensible answers. Some of them delivered speeches relating to their experience in the school. Grade 11 students presented beautiful song at the end of the farewell ceremony. Principal and the Vice principal gave heart touching speech. At the end everyone was amazed by the energetic dance performance by the students and an open quiz on advertisements.

Then the ceremony came to an end with the announcement of Mr. and Miss. JMRES, along with the best smile, walk and personality. At the end Vote of thanks was given by Grade 11th student by wishing all the best and bright future to our Grade 12th students. Programme concluded with the dinner.
